

Javonte Green

6'4" and 205 lbs.

Small Forward, Alma Trieste (2016-17 Season)

Small Forward, Marin Peixigalego (2015-16 Season)

DOB: July 23, 1993 (23 years old)

Nationality: American

Player profile and overview: Javonte is a devastating athlete on both sides of the ball. He is capable of playing and finishing above the rim while creating defensive havoc with his strength, lateral quickness, and aggressiveness. More than just an athlete, however, Javonte has continued to improve his range and overall offensive versatility and, as a result, creates mismatches because he is too physical for opposing shooting guards and too quick for opposing forwards. In his second professional season, he led Alma Trieste to the A2 (Italy) Finals while leading the league in steals per game and Trieste in player valuation. In his first professional season, Javonte led Marin to the LEB Silver (Spain) Championship and Cup Championship, while [winning the league's Most Valuable Player award](#). During his collegiate career at Radford University, he was the 2014-15 Big South Defensive Player of the Year, was ranked #2 overall in PER behind only Frank Kaminsky, and is one of just two players in Big South history to record at least 1,500 points and 1,000 rebounds during his career. At just 23 years of age, Javonte continues to improve and is now ready to compete in the most competitive leagues in the world.
